*****One hour of labor is included for each visit in service programs. Any additional labor over one hour will be billed at \$80.00 per man hour in quarter hour increments and you will be charged for any parts and materials used. Please be prepared to pay any additional charges at the time of service. Prices subject to change but you can lock in this labor rate for the entire season with a maintenance agreement. Maintenance agreements are transferable, but are not refundable. We will make at least one courtesy phone call to schedule your pre-paid services. If we leave a message, please return our call promptly as prime appointment slots fill up quickly. All service calls must be scheduled with the homeowner so that someone will be there for the appointment. A trip charge of \$35.00 will be assessed for each missed appointment.**
